Finally able to share the good news! Just as we'd hoped, it's a baby girl! She's doing well. She looks just like my husband, so I'm sure she'll grow up to be beautiful! I can't show her off in person just yet. Planning a big party. I

That's a good name  
it sounds cute! I  
definitely would  
never have thought  
of that myself.  
She'll be unique  
sure!

Family is so important.  
 You know. Without a child,  
 you can't really call yourself  
 a family ☹️ A child is what  
 makes a family a family.

I fell asleep last night, sorry  
 My husband helped with the  
 name, too ♥️ Like you said,  
 she'll be unique. A name is  
 the first gift from parent to  
 child, so we wanted it to be  
 special. LOL ☆ A unique name  
 for a unique little girl!
